### THE PEOPLE'S COLUMN.

Mr. L. G. Niblack, editor Leader: The Rev. Mr. Williams attacked the author of "Shall We Declare Our Lineage" published in Saturday's Leader, from the Christian pulpit last Sunday evening and I now desire to state my position. We Unitarians believe in the Fatherhood of God, the brotherhood of man, salvation by character, the leadership of Jesus, and the eternal progression of humanity—but the great object of our church is to exalt our race, and teach them to be honest. We do not fear God because he is love, and goodness.

I shall, with your permission, take up these different themes in the future and discuss them. My purpose is to establish here in Guthrie, a church dedicated to the service of humanity; I think humanity needs one, when God has so many dedicated to his services.

The Unitarian church does not place a premium on crime, but asserts that salvation by faith and water baptism is cheap and easy compared to salvation by character.

We love God and will defend Him against every false statement made by Moses or others.

We love Jesus and will speak well of him despite the falsehoods hurled at his character.

We love humanity and endeavor at all times to break the bonds that bind men and women to the creed established in the year 325 A. D., by an act of violence council under the authority of the murderer Constantine.

If the Rev. Mr. Williams desires to take issue with me, I trust that in the future he will not endeavor to take shelter behind the pulpit and attack my character and religion but that he will come out boldly and meet me on equal grounds, for I would gladly compare reasons for my religion with the gentleman in all good fellowship—I am searching for truth and am open to conviction. When I wrote the article characterized as "stuff," etc., by the Rev. Gentlemen, I had no intention of exciting contention any where but since the orthodox clergy has drawn the sword of intellectual warfare, rest assured that I will be the last to sheathe it. R. F. George, (A Unitarian.)

### STATE FAIR ASSOCIATION.

Elect Officers and Plan for an Exhibition of Magnitude.

The stockholders of the State Fair and Driving association held their first meeting at the Capitol National bank Saturday for the purpose of electing directors and officers. The directors of the association as elected are: C. E. Billingsley, W. D. Fossett and L. D. Fossett; W. D. Fossett was made president and L. D. Fossett was chosen secretary and treasurer.

The organization adopted by-laws, and discussed the arrangements of a race meet and county fair for this year.

The plans of the association are sure to meet with success as they contemplate a race meet in connection with the county fair and no stone will be left unturned to make it a gigantic success.

At present the work is being carried on with enthusiasm and vigor and the members of the association are assured that the event will be one of which Guthrie will be proud.

The grounds are being improved in every way possible and arrangements are being made to secure the fastest horses of the southwestern turf. As to the fair, premiums will be offered, besides many other inducements, which will attract the best exhibits and make the fair a success.

The association has rented a room in the Lyman block on Harrison avenue.

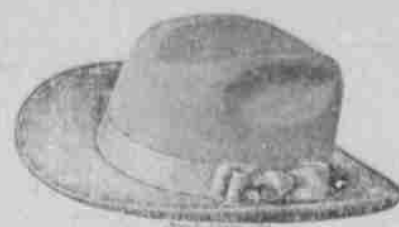

### Nearly Forfeits His Life.

A runaway almost ending fatally, started a horrible ulcer on the leg of J. B. Orner, Franklin Grove, Ill. For four years it defied all doctors, and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for Burns, Bruises, Skin Eruptions and Piles. 25c. at F. B. Little & Co.'s drug store.
